

CURRICULUM VITAE

Andrew Michael David Wolf, M.D.

I. PERSONAL DATA

Home Address: 5030 Rutherford Rd.
Charlottesville, VA 22901

Office Address: Division of General Medicine,
Geriatrics & Palliative Care
University of Virginia Health System
Box 800744
Charlottesville, VA 22908
Phone: 434.982.3458
Fax: 434-924-1138

Email: aw6a@virginia.edu

Citizenship: United States

II. EDUCATION

<u>Year</u>	<u>Degree</u>	<u>Institution</u>
1979	A.B. (magna cum laude) History and Science	Harvard College, Cambridge, MA
1984	Medical Degree M.D.	University of Virginia School of Medicine Charlottesville, VA

III. POST-GRADUATE EDUCATION

<u>Year</u>	<u>Degree</u>	<u>Institution</u>
1984 - 1987	General Internal Medicine	Rhode Island Hospital/Brown University School of Medicine Providence R.I.

IV. ACADEMIC APPOINTMENTS

<u>Year</u>	
1999-present	Associate Professor of Medicine University of Virginia School of Medicine
1999-2003	Associate Professor of Research in Health Evaluation Sciences University of Virginia School of Medicine
1999	Assistant Professor of Research in Health Evaluation Sciences,

University of Virginia School of Medicine

1993-1999 Assistant Professor of Medicine
University of Virginia School of Medicine

1989-1993 Assistant Professor of Medicine
Boston University School of Medicine

V. OTHER EMPLOYMENT PERTAINING TO CURRENT PROFESSIONAL APPOINTMENTS

<u>Year</u>	<u>Office</u>
2003-present	Associate Program Director, University of Virginia Internal Medicine Residency Program, Charlottesville, VA
2001-2002	Acting Section Chief, General Medicine, University of Virginia Department of Medicine, Charlottesville, VA
1997-present	Director, Primary Care Track, University of Virginia Internal Medicine Residency Program, Charlottesville, VA
1987-1993	Associate Program Director, Carney Hospital Primary Care Internal Medicine Residency Program, Boston, MA
1979-1980	Clinical Epidemiology Research Assistant Department of Public Health, Cornell University Medical Center, New York, NY

VI. CERTIFICATION AND LICENSURE

A. Certification

<u>Board</u>	<u>Date</u>	<u>Number</u>
American Board of Internal Medicine	1987	Diplomate
National Board of Medical Examiners	1985	Diplomate

B. Licensure

<u>State</u>	<u>Date</u>	<u>Permanent/Temporary</u>	<u>Number</u>
Virginia	1993	Permanent	0101049673

VII. HONORS AND AWARDS

<u>Year</u>	<u>Honor</u>
2018	University of Virginia, Department of Medicine Outpatient Attending of the Year
2018	Best Doctors in America, 2017-2018
2018	American College of Physicians Virginia Chapter Teaching Award
2017	University of Virginia, Department of Medicine Research Award
2016	Best Doctors in America
2016	University of Virginia, Department of Medicine Outpatient Attending of the Year

2015	Best Doctors in America
2014	University of Virginia, Department of Medicine Outpatient Attending of the Year
2014	Best Doctors in America
2013	Best Doctors in America
2012	University of Virginia, Department of Medicine Outpatient Attending of the Year
2011	University of Virginia Graduate Medical Education Master Educator Award
2010	University of Virginia, Department of Medicine Outpatient Attending of the Year
2009-2010	Best Doctors in America
2008	University of Virginia, Department of Medicine Outpatient Attending of the Year
2008	University of Virginia, Department of Medicine Teaching Excellence Award
2007-2008	Best Doctors in America
2007	University of Virginia, Department of Medicine Teaching Excellence Award
2006	University of Virginia, Department of Medicine Outpatient Attending of the Year
2005-2006	Best Doctors in America
2005	University of Virginia, Department of Medicine Outpatient Attending of the Year
2004	Certificate of Accomplishment, Society of General Internal Medicine-John A. Hartford Foundation Faculty Scholar in the Care of Older Adults
2003	University of Virginia, Department of Medicine Outpatient Attending of the Year
2003	Lifetime Member, University of Virginia Academy of Distinguished Educators, Elected 2003 (inaugural year)
2001	University of Virginia, School of Medicine Teaching Award
2001	University of Virginia, Department of Medicine Teaching Award
1999	Fellow, American College of Physicians-American Society of Internal Medicine
1998	Award of Merit, Virginia Council of the American Cancer Society
1996-1997	Physician Volunteer of the Year, Charlottesville Free Clinic
1995-1996	Physician Volunteer of the Year, Runner-Up, Charlottesville Free Clinic
1995	University of Virginia Nominee, 1995 Southern Society of General Internal Medicine Clinical Educator Award
1995	Listed in The Best Doctors in America: Southeast Region, Woodward/White
1993	Citation for Superior Patient Care and Community Service, Massachusetts State Senate
1993	Carney Hospital Teaching Award
1991	Carney Hospital Teaching Award

1990	Carney Hospital Teaching Award
1989	Carney Hospital Teaching Award
1987	Rhode Island Hospital Internal Medicine Resident Teaching Award
1984	Alpha Omega Alpha Honor Medical Society
1981	Honorable Mention, Sir William Osler Medal <i>National history of medicine award for best original essay</i>
1979	Magna cum laude, Harvard College

VIII. PROFESSIONAL AFFILIATIONS (INCLUDING OFFICES HELD)

<u>Year</u>	<u>Office</u>
2008-present	Member, Association of Program Directors in Internal Medicine
1992-2000	Charter Member, American Academy on Physician and Patient
1986-present	Fellow, American College of Physicians (Fellowship 1999)
1984-present	Member, Society of General Internal Medicine

IX. RESEARCH ACTIVITIES

A. AREAS OF RESEARCH INTEREST

- Cancer screening and prevention
- Preventive medicine in primary care practice
- Innovation in primary care medical education

B. CURRENT PROJECTS

- American Cancer Society (ACS) colorectal cancer screening guideline and accompanying provider-patient decision support material (Chair, Colorectal Cancer Screening Work Group)
- Updating of ACS cervical cancer screening guideline (Member, Cervical Cancer Screening Work Group)
- Expert consultant, Centers for Disease Control – American College of Preventive Medicine collaboration to develop patient materials to facilitate informed decision making for prostate cancer screening.

X. TEACHING ACTIVITIES

A. Classroom, Seminar, or Teaching Laboratory

Medical School Educational Activities

2010-2018	Small Group Mentor, Clinical Practice Development, University of Virginia School of Medicine, <i>six 1st-2nd year medical students, ½ day/week</i>
2010-2017	Workshop Co-Leader, RxDx Course. “Developing Clinical Guidelines: an Introductory Course.” <i>RxDx is a capstone course for all UVA 4th year medical students</i>

- 1994-2016 Primary Care Faculty, Medical Academic Advancement Program, University of Virginia School of Medicine, *1 seminar/year. Taught primary care seminar to minority pre-medical students as part of program designed to promote diversity in the health professions*
- 2000-2010 Small Group Mentor, Practice of Medicine, University of Virginia School of Medicine, *1st year medical students, ½ day/week*
- 2007-2013 Workshop Leader, Information Mastery & Critical Appraisal Workshop, Ambulatory Internal Medicine 3rd Year Clerkship, *1 two-hour workshop/month*
- 2005-2009 Workshop Leader, Geriatrics Clinical Connections Course, UVA School of Medicine (3rd year medical students), *1 half-day/year*
- 1995-1998 Small Group Leader, Introduction to Clinical Medicine, 2nd year medical students, University of Virginia School of Medicine, *1 half-day weekly, 1 semester/year. Taught case-based curriculum and physical diagnosis skills to 6 students per year*
- 1994-2001 Geriatrics Group Leader, Introduction to Clinical Medicine, University of Virginia School of Medicine, *1 seminar/year*
- 1994-2011 Small Group Leader, Clinical Epidemiology, 2nd year medical students, University of Virginia School of Medicine, *1 two-hour seminar/week, 1/2 semester/year*
- 1987-1993 Core Faculty, Medical Interviewing Skills Course, Boston University School of Medicine, *4 half-day workshops/year*

Postgraduate/Residency Educational Activities

- 2017-present General Medicine Inpatient Lecture Series, “Community-Acquired Pneumonia,” *1 hour, twice per year*
- 2003-present Workshop Director, Difficult Doctor-Patient Relationships & Somatization, University of Virginia Internal Medicine Residency Program. *One 1.5-hour seminar four times per year for PGY-2 residents*
- 2003-present Workshop Director, Motivational Interviewing, University of Virginia Internal Medicine Residency Program. *One 1.5*

hour seminar four times per year for PGY-1 residents

- 1997-present Director, Office-Based Medicine Curriculum. *Responsible for topic selection and speaker recruitment for this weekly residency lecture series; leads ~ 4 of these case-based presentations annually*
- 2007-2009 UVA Internal Medicine Residency, Evidence-Based Medicine Conference: Screening for Disease, 1 hour yearly. *Lecture & discussion facilitator*
- 1998-2002 Lecturer, Epidemiology of Chronic Disease, Department of Public Health Sciences Masters Program, University of Virginia School of Medicine, *1 lecture/year*
- 1995-1998 Workshop Director, Ethical Issues in Primary Care Workshop, *half-day/year*
- 1990-1992 Director, Morbidity and Mortality Conference, Carney Hospital, *1-hour conference/month*
- 1987-1993 Director, Psychosocial and Communication Skills Curriculum, Carney Hospital Internal Medicine Residency Program, *one half-day seminar/week*
- 1987-1993 Director, Medical Ethics Curriculum, Carney Hospital Internal Medicine Residency Program, *1-hour seminar/month*

Faculty Development/Continuing Medical Education

- 2014-present UVA Medical Education Certificate Series, Invited Workshop: “Clinical Teaching on the Fly”, *2-hour workshop offered annually to biennially to UVA faculty*

B. Clinical Teaching (ward, clinic)

Undergraduate Educational Activities

- 2010-2011 Faculty Mentor, Senior Premedical Student Observership, University Medical Associates, *one half-day/week*

Medical School Educational Activities

- 1999-present Attending Physician, Ambulatory Internal Medicine Clerkship, *precept one third year medical student at University Medical Associates, one half-day per week, one month per year (not all years), UVA School of Medicine*

1993-present	Attending Physician, Internal Medicine Clerkship. <i>Two third year medical students and 0-1 fourth year (Acting Intern) medical students per rotation, 4 weeks per year (two two-week rotations), UVA School of Medicine</i>
2017-present	Clinical Skills Education Program (CSEP) Instructor, Internal Medicine Clerkship. <i>three 1.5-2 hour didactic and bedside physical examination instruction, repeated twice yearly for 3rd year medical students</i>
1994-2010	Faculty, Physical Diagnosis, University of Virginia School of Medicine, <i>3 three-hour sessions/year</i>
1987-1993	Core Faculty, Physical Diagnosis Course, Boston University School of Medicine, <i>4 three-hour sessions/year</i>
<u>Postgraduate/Residency Educational Activities</u>	
1996-present	Faculty Moderator/Discussant, Outpatient Morning Report, <i>two 30-minute sessions/week</i>
1997-1999	Director, Inpatient Geriatric Work Rounds, <i>1 hour/week</i>
1994-1997	Co-Director, Smoking Cessation Workshop, <i>3 half-day workshops/year</i>
1994-1997	Co-Director, Alcoholism Workshop, <i>3 half-day workshops/year</i>
1993-present	Firm Director, University Medical Associates (internal medicine residents' clinic), <i>2 days/week. Mentor and supervise 10-12 residents' primary care training experience</i>
1993-present	Attending Physician, General Internal Medicine Inpatient Service. <i>Supervise 1-2 residents and 1-2 interns, four weeks per year</i>
1993-2008	Attending Physician, General Internal Medicine Consultation Service; <i>supervised 1-3 residents per rotation, two to four weeks per year</i>

XI. TEACHING ACTIVITIES OTHER THAN CLASSROOM OR CLINICAL, INCLUDING TEACHING OF UNDERGRADUATE (PRE-BACCALAUREATE), GRADUATE, POSTDOCTORAL STUDENTS AND CONTINUING EDUCATION MEDICAL STUDENTS.

A. Conferences, Grand Rounds, Journal Clubs

<u>Month, Year</u>	<u>Type of Activity</u>
Sept 2013	Medical Grand Rounds: “Providing High Value Cost-Conscious Care: Balancing Benefits with Costs and Harms.”
Dec 2012	Medical Grand Rounds: “Should We Stop Screening for Prostate Cancer?”
2008-2011	“Prostate Cancer Screening: Sorting Through the Uncertainty”, Primary Care Conference Series, Internal Medicine Residency Program, March 2008; Family Medicine Grand Rounds 2011; Recent Advances in Clinical Medicine CME Conference October 2010; American College of Physicians Virginia Chapter Meeting, March 2011.
Sept 2005	Medical Grand Rounds: “Drug Prescribing for the Elderly: Perils, Pearls, and Progress.”
2001-2015	“A Whirlwind Tour of Clinical Prevention and Health Maintenance, Primary Care Conference Series, Internal Medicine Residency Program. Two 1-hour lectures annually.
2001-2015	“Rhinitis: A Systematic Approach to Runny Noses” Primary Care Conference Series, Internal Medicine Residency Program. One 1-hour lecture annually.
2001-2015	Erectile Dysfunction: Some Hard & Fast Rules, Primary Care Conference Series, Internal Medicine Residency Program. One 1-hour lecture biennially.
1998-2004	Joint Residents’ Conference (Internal Medicine/Family Medicine): Cancer Screening Update; Alcoholism-Enhancing Early Detection and Intervention.
April 2003	Faculty Discussant, A Case of Pheochromocytoma, Clinicopathology Conference, Department of Medicine.
Sept 2002	Medical Grand Rounds: “Prostate Cancer Screening: Is the Paradigm Shifting?”

May 2000	Family Medicine Grand Rounds: "Prostate Cancer Screening at the Millenium: Is the Paradigm Shifting?"
April 1998	Medical Grand Rounds: "Cancer Screening in the Elderly: When Should We Stop?"
March 1998	Division of General Medicine Conference: "Pap Smears in the Elderly: When Is It Time to Hang Up the Speculum?"
January 1998	Evidence-Based Medicine Conference, Internal Medicine Residency Program: "Decision-Making in the Setting of Uncertainty: the Prostate Cancer Screening Paradigm"
June 1997	Family Medicine Grand Rounds: "Prostate Cancer Screening: A Paradigm for Promoting Patient Preferences"
June 1997	Division of General Medicine Conference: "Cancer Screening in the Elderly: When Should We Stop?"
April 1997	Joint Residents' Conference: "Prescribing for the Elderly: Perils and Pearls".
April 1996	Joint Residents' Conference: "PSA: Panacea or Pandora's Box?"
March 1996	Division of General Medicine Conference: "Itraconazole for Onychomycosis: Have We Hit the Nail on the Head?"
November 1995	Joint Residents' Conference: "Multi-drug Resistant Hypertension"
August 1995	Medical Grand Rounds: "Listening to Prozac or Listening to Reason? Uses and Misuses of the SSRI's in Primary Care Practice"
March 1994	Alcoholism--Enhancing Early Detection and Intervention," Recent Advances in Clinical Medicine CME Program, Charlottesville, VA, Winchester Hospital Medical Grand Rounds, Winchester, VA
November 1993	Medical Grand Rounds: "Alcoholism--Enhancing Early Detection and Intervention"

B. Student/Resident Counseling & Mentoring

- 1996-present Senior Medical Student Residency & Elective Advisor. *Advise/mentor 3-4 students per year applying to primary care internal medicine residency programs*
- 1996-2010 Senior Residency Research Project Mentor: Douglas Keim, MD (1996, see bibliography); Roger Gildersleeve, MD (1997); Renee Del Giorno, MD (1998); Christopher Skaggs, MD (1999); Donald Hebb, MD (2000); Eric Minninberg, MD (2000); Brian Shimkus, MD (2001); Jason Conway, MD (2002); Brad Huot, MD (2004, Resident Research Award Recipient); Samuel Wu, MD (2004); Meg Taylor, R.Ph. (2004, Pharmacy Resident Research Project); Duncan Hill, MD (2005, Resident Research Award Recipient); John Holly, MD (2005); Steven Lommatzsch, MD (2006); Brian Uthlaut, MD (2006); Kelly Andra, MD (2007); Amy Alson, MD (2007); Brandon Tomarchio, MD (2010); Onala Rakisheva (2012); Steven Rybicki (2015); Rachel Mehaffey (2016, see Publications); Sumit Agarwal (2017, see Publications); Christopher Clarke (2018)
- 1994-1997 Student Research Mentoring (see Publications): Jonathan Nasser; Andrea Chang; Steven Schechterman; John Morgan; Jacob Meindertsma; Matthew Kerwin
- 1995-1996 General Internal Medicine Fellowship Clinical Mentor to Tracy Bachhuber, MD

C. Formal Study to Improve Teaching

- 1993 New England Epidemiology Institute Summer Program in Epidemiology and Biostatistics, Tufts University, Medford, MA
- 1991 Society of General Internal Medicine Advanced Faculty Development Course on Alcoholism and Substance Abuse, Boston, MA
- 1988 Society of General Internal Medicine Faculty Development Course on Alcoholism and Substance Abuse, Boston, MA

D. Curriculum Development and Program Supervision

Medical School

- | <u>Year</u> | <u>Course</u> |
|--------------|--|
| 2012-present | Member, OSCE Development Committee. <i>Responsible for</i> |

developing, evaluating, revising, and grading objective structured clinical exams (OSCEs) for all four years of the medical school curriculum. 5% FTE

- 2006-2007 Clerkship Clinical Skills Education Project
Co-developed a Motivational Interviewing Objective Structured Clinical Examination (OSCE) for 3rd year medical students, trained simulated patients, developed evaluation instrument
- 2001–2003 Clinical Advisor, Neuroscience Course, UVA School of Medicine
(coordinated clinical correlations)
- 1994-1999 University Medical Associates Faculty Coordinator, Primary Care Ambulatory Medicine Clerkship, University of Virginia School of Medicine
- 1994-1995 Primary Care Ambulatory Medicine Clerkship Standardized Patient Case Writer

Postgraduate/Residency

- | <u>Year</u> | <u>Course</u> |
|--------------|---|
| 2014-present | Director, “+1 Week” Ambulatory Curriculum, University of Virginia Internal Medicine Residency. <i>Approximately 80 hours of planning and coordination annually. This curriculum provides the core didactic ambulatory and primary care education for the internal medicine residency.</i> |
| 2008-2012 | “SPARC” Debriefing Workshop. <i>Co-facilitator for a periodic one-hour systems-based practice workshop with 4-5 PGY-1 internal medicine residents, utilizing the Systems-based Practice Resident Competencies (SPARC) on-line tool developed by Dr. John Voss & others.</i> |
| 2004-2014 | Director, Ambulatory Medicine Lecture Series University of Virginia Internal Medicine Residency. |
| 2003-2014 | Co-Director, Advanced Interviewing Skills Curriculum, University of Virginia Internal Medicine Residency. |
| 2002-2013 | Internship Survival Group Facilitator, Internal Medicine Residency Program. <i>Co-Facilitator for PGY-1 support group meetings. One hour every other week.</i> |
| 1998-2001 | Coordinator, Annual Internal Medicine Substance Abuse Symposium, <i>full-day workshop</i> |

- 1995-2000 Co-Director, Multidisciplinary Clinic (medicine-psychiatry consultation clinic), *half-day/week*
- 1994-1997 Director, Psychosocial Curriculum, Internal Medicine Residency Program, *30 hours/year*
- 1990-1993 Director of Curriculum Development and Evaluation, Carney Hospital General Internal Medicine Residency Training Grant (Bureau of Health Professions, Public Health Service)
- 1988-1992 Co-Coordinator, Carney Hospital Primary Care Faculty Development Program, *4 hours/week*

Continuing Education

- | <u>Year</u> | <u>Course</u> |
|--------------|---|
| 2000-present | Course Director, Recent Advances in Clinical Medicine (annual continuing medical education conference), University of Virginia School of Medicine. <i>Responsible for development of agenda, speaker recruitment, program evaluation, oversight of 37 lectures and 8-10 workshops, and moderating of conference</i> |
| 1999-2002 | Case writer for MyPatient.com, <i>a peer-reviewed, interactive web-based continuing medical education program accredited by UVA</i> |
| 1997-1999 | General Internal Medicine Program Coordinator, Recent Advances in Clinical Medicine, UVA School of Medicine |

XII. OTHER PROFESSIONAL ACTIVITIES (BOARDS, EDITORSHIPS, ETC.)

- | <u>Year</u> | <u>Board Name & Appointment</u> |
|--------------|---|
| 2017-present | Expert Panelist, Centers for Disease Control – American College of Preventive Medicine. Prostate Cancer Screening Decision Aid Project. <i>Interdisciplinary panel of primary care physicians, oncologists, urologists, and communication experts to develop patient decision aids to facilitate informed decision making for prostate cancer screening</i> |
| 2012 | External Reviewer for American Diabetes Association – European Association for the Study of Diabetes Position Statement on the Management of Hyperglycemia in Type 2 Diabetes (Inzucchi SE, et al. <i>Diabetes Care</i> 2012;35:1364-1379.) <i>Provided critical feedback and revisions to the ADA diabetes management guideline.</i> |
| 2005-2012 | Administrative Editor, <i>Medical Clinics of North America</i> . Role: <i>CME test development – responsible for developing learning objectives and CME tests (6 volumes per year)</i> |

Peer Review:
ACP/BMJ Clinical Evidence
Annals of Internal Medicine
Archives of Family Medicine
CA – Cancer Journal for Physicians
Gerontology Journal of the American Medical Association
Oxford University Press, New York, NY.

- 2002-2003 Invited Peer Review, Centers for Disease Control and Prevention, Division of Cancer Prevention and Control, "*Prostate Cancer Screening: A Routine Matter or Patient Choice?*" Slide presentation for national dissemination to primary care physician audiences
- 2001 Peer Reviewer, Grants for Residency Training in Primary Care, Bureau of Health Professions, Health Resources and Services Administration, Public Health Service, Silver Spring, MD.
- 1999 Peer Reviewer, Grants for Residency Training in Primary Care, Bureau of Health Professions, Health Resources and Services Administration, Public Health Service, Silver Spring, MD.
- 1998 Scientist Reviewer, Prostate Cancer Detection and Diagnosis Panel, 1997 Prostate Cancer Research Program, Department of Defense United States Army Medical Research and Materiel Command, Washington, D.C.
- 1997-1998 Advisory Board (primary care advisor), "Cases in Cardiology" (interactive CD-ROM), Carden Jennings Publishing Co., Charlottesville, VA

XIII. CLINICAL ACTIVITIES

A. Inpatient

- 1993-present Ward Attending, University of Virginia Hospital, *1 month/year*
1993-2011 General Internal Medicine Consultation Service, University of Virginia Hospital, *1 month/year & night/weekend call*
1987-1993 Ward Attending, Carney Hospital, Boston, MA, *3 months/year*

B. Outpatient

- 1998-present General Internal Medicine Practice, University Medical Associates, University of Virginia Health System (60% Clinical FTE). *University Medical Associates is an academic faculty-resident practice with almost 30,000 visits annually. Dr. Wolf provides care directly for over 400 patients and oversees 10 residents providing care for approximately 1000 largely indigent, medically complex patients from central, southwestern and northern Virginia*
1993-1998 Geriatrics Practice, Colonnades Medical Associates, University of

- Virginia Health System, *2 half-day sessions/week*
- 1993-1998 General Internal Medicine Practice, University Physicians-Charlottesville, University of Virginia Health System, *1 half-day session/week*
- 1993-1998 Staff Physician, Colonnades Health Care Center, Charlottesville, VA
- 1987-1993 Staff Physician, Carney Hospital Primary Care Center, Boston, MA, *3 half-day sessions/week*

XIV. SCHOOL, UNIVERSITY, UVA HOSPITALS, DEPARTMENTS, NATIONAL, AND STATE COMMITTEES & COUNCILS

A. University of Virginia School of Medicine

<u>Year</u>	<u>Position</u>
2012-present	OSCE Development Committee (see also X.D. Curriculum Development)
2003-2004	Search Committee, Chairman of the Department of Psychiatry
2004- 2007	University of Virginia Primary Care Coordinating Committee
1998-1999	University of Virginia Aging Services Strategic Planning Committee
1998-1999	Search Committee, Division Chief of General Internal Medicine & Geriatrics
1996-1998	Cancer Genetics Advisory Committee, University of Virginia Cancer Center
1995-1999	University of Virginia Geriatrics Quality Support Team
1994-1996	University of Virginia Aging Services Committee
1987-1993	Carney Hospital Medical Education Committee (Chairman, 1990 - 1993)
1992-1993	Carney Hospital Substance Abuse Resource Committee (Chairman)
1987-1993	Carney Hospital Ethics Committee
1990-1992	Carney Hospital Medical Executive Committee
1991-1993	Carney Hospital Community Benefits Standards Committee

B. UVA Internal Medicine Residency

<u>Year</u>	<u>Position</u>
2013-present	University of Virginia Internal Medicine Residency Clinical Competency Committee, <i>~ 6 hours per month</i>
2013-present	Co-Chair, University of Virginia Internal Medicine Residency Program Evaluation Committee, <i>~ 6 hours per month</i>
1997-present	University of Virginia Internal Medicine Committee on Resident Education, <i>~4-8 hours/month</i>
1995-present	University of Virginia Internal Medicine Residency Selection Committee, <i>~32 hours/month, 4 months/year</i>

C. National

<u>Year</u>	<u>Position</u>
2018-present	Member, Cervical Cancer Screening Work Group, American Cancer Society Guideline Development Group.
2013-present	Chair, Colorectal Cancer Screening Work Group, American Cancer Society Guideline Development Group.
2012-present	Member, Guideline Development Group., American Cancer Society. <i>The GDG is responsible for all ACS screening guideline development</i>
2008-2012	Chair, Prostate Cancer National Advisory Committee, American Cancer Society
2001-2008	Member, Prostate Cancer National Advisory Committee, American Cancer Society
2001-present	Member, Primary Care National Advisory Committee, American Cancer Society.
2000	Invited Participant, Future Directions for Public Health Practice and Research in Prostate Cancer, Division of Cancer Prevention and Control, National Center for Chronic Disease Prevention and Health Promotion, Centers for Disease Control and Prevention, San Diego, CA.
1999-2000	Work Group Member, Prostate Cancer National Advisory Group, American Cancer Society.

D. State

<u>Year</u>	<u>Position</u>
1997-1999	Prostate Cancer Work Group Leader, Virginia Council of the American Cancer Society

XV. FINANCIAL RESOURCES (GRANTS AND CONTRACTS)

A. Federal

Project Director: General Internal Medicine Residency Training Grant, Bureau of Health Professions, Public Health Service (\$692,311/3 years) (1997)

Author and Director of Curriculum Development and Evaluation: General Internal Medicine Residency Training Grant, Bureau of Health Professions, Public Health Service (\$975,000 / 3 years) (1993)

Author and Director of Curriculum Development and Evaluation: General Internal Medicine Residency Training Grant, Bureau of Health Professions, Public Health Service (\$600,000 / 3 years) (1990)

Co-author and Coordinator for Teaching Methodology: General Internal Medicine Faculty Development Grant, Bureau of Health Professions, Public Health Service (\$300,000 / 3 years) (1988)

B. State

Co-Principal Investigator: "Attitudes on Whether Physicians Should Tell Alzheimer's Disease Patients their Diagnosis" (Suzanne Holroyd, MD, Principal Investigator), Alzheimer's and Related Diseases Research Award Fund, Commonwealth of Virginia (1999)

C. Other

Consultant & Lead Faculty, "Creating a CME Framework to Improve Atrial Fibrillation-Related Stroke Prevention in the Southeastern United States 'Stroke Belt'"; Med IQ (2012)

Consultant, "Is the PSA Test Right for You?" Patient education material development, Foundation for Informed Medical Decision Making (2012)

Consultant, Prostate Cancer Screening Toolbox, American Cancer Society Grant to Thomas Jefferson University (Mona Sarfaty, MD, Principal Investigator)(2011)

Consultant, "Assessing Shared Decisions in Cancer Screening," Foundation for Informed Medical Decision Making (Kerry Kilbridge, MD, Principal Investigator) (2009)

Principal Investigator, Center for Collaboration between General Medicine and Geriatrics (C2G2), Hartford Foundation-Society of General Internal Medicine (\$185,000/2 years) (2002)

American Cancer Society Cancer Control Career Development Award for Primary Care Physicians (\$115,000/3 years) (1996)

Principal Investigator: "Patient Preferences for Prostate-Specific Antigen Screening," American Cancer Society Institutional Research Grant (\$15,000/1 year) (1994)

XVI. PAPERS PUBLISHED OR IN PRESS

A. Peer Reviewed (asterisk = corresponding author; underline = mentee)

1. Agarwal, SD, Kerwin M, Meindersma J, **Wolf A**. A novel decision aid to encourage smoking cessation among patients at an urban safety net clinic: a pilot clinical trial. *Preventing Chronic Disease* 2018 (accepted).

XVII. INVITED LECTURES AND SYMPOSIUMS

- | | |
|---------------|---|
| November 2018 | Invited Lecturer, "Prostate Cancer Screening as a Paradigm for Prioritizing Patient Preferences," 31 st Annual Dolan Lecture, Virginia Hospital Center, Arlington, VA. |
| Septembr 2018 | Invited Speaker, "Getting to the Bottom of Colorectal Cancer Screening," University of Virginia School of Medicine Webinar for Virginia Primary Care Providers, Charlottesville, VA |

- November 2016 “The American Cancer Society Breast Cancer Screening Guideline: Update 2016,” Breast Cancer CME Conference, University of Virginia, Charlottesville, VA
- June 2016 “Role of the Primary Care Provider in Cancer Survivorship,” 8th Biennial Cancer Survivorship Conference, Washington, DC
- February 2013 “Practical Pearls for Prostate Cancer Screening,” George B. Craddock Memorial Symposium, Lynchburg General Hospital.
- October 2012 “Practical Pearls for Prostate Cancer Screening,” Recent Advances in Clinical Medicine Conference, Charlottesville, VA
- September 2012 “Should We Stop Screening for Prostate Cancer?” Danville Medical Center Cancer Symposium.
- March 2010 “Prostate Cancer Screening: Are We There Yet?” Virginia Chapter, American College of Physicians Annual Meeting, Alexandria, VA.
- January 2010 “Strategies for Smoking Cessation in Clinical Practice,” Virginia Hospital Center Medical Grand Rounds, Arlington, VA,
- October 2009 “Prostate Cancer Screening 2009: Are We There Yet?” Recent Advances in Clinical Medicine Conference, University of Virginia, Charlottesville, VA
- October 2009 “Strategies for Smoking Cessation in Clinical Practice,” Recent Advances in Clinical Medicine Conference, University of Virginia, Charlottesville, VA
- April 2009 “Strategies for Smoking Cessation in Clinical Practice,” Virginia Hospital Center Medical Grand Rounds, Arlington, VA,
- April 2009 Invited Speaker, “Helping Your Patients Change their Unhealthy Behaviors,” National Lipid Association Meeting, Miami, FL
- April 2008 Invited Discussant, “Improving Prostate Cancer Decisions in the Underserved,” Howard University College of Medicine, Washington, D.C.
- October 2007 “Motivational Interviewing,” Meet-the-Professor Session, 33rd Annual Recent Advances in Clinical Medicine Conference, Charlottesville, VA

- April 2006 Invited Speaker, “Colorectal Cancer Screening: Obstacles and Opportunities,” Virginia Colorectal Cancer Dialogue for Action, Charlottesville, VA
- May 2005 Workshop Co-Leader, Teaching the New ACGME Competencies, Society of General Internal Medicine Annual Meeting, Chicago, IL
- October 2004 “Motivational Interviewing,” Meet-the-Professor Session, 30th Annual Recent Advances in Clinical Medicine Conference, Charlottesville, VA
- January 2004 Cancer Screening 2004: Consensus & Controversy, Rockingham Memorial Hospital, Harrisonburg, VA,
- March 2003 Invited Discussant, “Understanding and Communicating Risk,” Dialogue for Action: Bringing Colorectal Cancer Screening Home, Cancer Research and Prevention Foundation, Bethesda, MD
- September 2002 Invited Speaker, “Prostate Cancer Screening—Now for the Rest of the Story,” Updates in Family Medicine CME Program, University of Virginia Department of Family Medicine, Charlottesville, VA
- March 2002 “Shared Decision Making in Colorectal Cancer Screening,” Dialogue for Action: Increasing Cancer Screening Rates—the Colorectal Cancer Model, Cancer Research Foundation of America, Bethesda, MD, Workshop Facilitator
- March 2002 “Shared Decision Making: Connecting Consumers and Providers, Dialogue for Action: Increasing Cancer Screening Rates—the Colorectal Cancer Model, Cancer Research Foundation of America, Bethesda, MD
- December 2000 Invited Discussant, “Future Directions for Public Health Practice and Research in Prostate Cancer,” Centers for Disease Control, San Diego, CA,
- April 2000 Invited Speaker, “Cancer Prevention and Screening”, Multiple Small Feedings of the Mind, American College of Physicians-American Society of Internal Medicine Annual Meeting, Philadelphia, PA.
- March 2000 Invited Speaker, “Cancer Prevention and Screening”, Multiple Small Feedings of the Mind, American College of Physicians-American Society of Internal Medicine Virginia Chapter Scientific Meeting, Roanoke, VA

- March 1999 Invited Speaker, Prostate Cancer at the Millenium: To Screen or Not to Screen? American College of Physicians Virginia Chapter, Charlottesville, VA
- May 1998 "Cancer Screening Update 1998: Evidence & Recommendations", Stonewall Jackson Hospital, Lexington, VA
- April 1998 "Cancer Screening in the Elderly: When Should We Stop?", Salem Veterans Administration Hospital Visiting Lecture, Salem, VA,
- October 1998 Recent Advances in Clinical Medicine CME Program (University of Virginia), Charlottesville, VA,
- May 1997 "PSA: Panacea or Pandora's Box?", Salem Veterans Administration Hospital Visiting Lecture, Salem, VA,
- January 1996 Listening to Prozac or Listening to Reason? Uses and Misuses of the SSRI's in Primary Care Practice," Recent Advances in Clinical Medicine CME Program Salem Veterans Administration Hospital Visiting Lecture, Salem, VA,
- October 1996 "Listening to Prozac or Listening to Reason? Uses and Misuses of the SSRI's in Primary Care Practice," Recent Advances in Clinical Medicine CME Program (University of Virginia), Charlottesville, VA,
- April 1995 "Multi-drug Resistant Hypertension", Salem Veterans Administration Hospital Visiting Lecture, Salem, VA
- October, 1994 "Alcoholism--Enhancing Early Detection and Intervention," Recent Advances in Clinical Medicine CME Program, Charlottesville, VA
- March 1994 "Alcoholism--Enhancing Early Detection and Intervention," Salem Veterans Administration Hospital Visiting Lecture, Salem, VA
- February 1993 Winchester Hospital Medical Grand Rounds, Winchester, VA, "Non-Initiation and Withdrawal of Life Support or the ABC's of DNR," sponsored by Lemuel Shattuck Hospital/Tufts University School of Medicine
- September 1991 Workshop Coordinator (invited speaker): "Outpatient Preceptor Selection and Training," Community-Responsive Residency Training Project, American Medical Student Association Foundation, Reston, VA

- May 1991 Presentation: "Teaching Attitudes Helpful to the Doctor-Patient Relationship," Task Force on Doctor and Patient, Society of General Internal Medicine Annual Meeting, Seattle, WA
- February 1990 Co-coordinator: Teaching Medical Ethics Interest Group, Society of General Internal Medicine, New England Regional Meeting, Farmington, CT,
- April 1989 Workshop Coordinator: "Faculty Development for Teaching Community Oriented Primary Care- A Model for the 1990's and Beyond", Society of General Internal Medicine Annual Meeting, Arlington, VA
- April 1989 Workshop Co-coordinator: "Community Oriented Primary Care - A Model for Teaching and Practicing Preventive Medicine", Prevention '89, Atlanta, GA,
- March 1989 Workshop Co-coordinator: "Community Oriented Primary Care - A Model for Teaching and Practicing Preventive Medicine", Prevention '89, Atlanta, GA,
- April 1988 Discussant, Careers Roundtable, American Medical Student Association, Annual Meeting, Las Vegas, NV, (representing the Society of General Internal Medicine).
- April 1988 Workshop Co-coordinator: "Multiple Risk Factor Reduction Programs in the Community and Industrial Settings", Society of General Internal Medicine Annual Meeting, Washington, DC.
- March 1988 Workshop Co-coordinator: "Preventive Medicine Training in a Primary Care Internal Medicine Residency Program", Prevention '88, Atlanta, GA,

XXIII. COMMUNITY SERVICE

- 2007-2010 Thomas Jefferson Memorial Church, PACEM (homeless program) meal service volunteer
- 2001- 2008 Volunteer Coach, Soccer Organization of Charlottesville-Albemarle
- 2001 Invited Speaker, How to Talk with Your Doctor—An Insider's Guide to Optimizing the Doctor-Patient Relationship, Aging with Grace Conference, Charlottesville, VA, March 2001
- 1995-1998 Board of Directors, American Cancer Society, Charlottesville/Albemarle

May 2018

	Unit
1996-1999	Board of Directors/Physician Advisor, Innisfree Village, Crozet, VA (community for the mentally handicapped)
1993-1999	Physician Volunteer, Charlottesville Free Clinic, Charlottesville, VA
